

## Webinar on Unsecured Trade Creditors in the U.S. Bankruptcy Proceedings

Being affected by the U.S. brands filing for Chapter 11 business bankruptcy, many industry players are now raising concerns in this market situation. HKIAIA has received an overwhelming response for the webinar on Chapter 11 proceedings held on 14 August 2020. Considering that some members may be unable to join on 14 August, there is another round of webinar which we invited Mr. Edward Neiger, a managing partner of the law firm ASK LLP located in the U.S., to have an introductory session for members to understand the unsecured trade creditors in the U.S. bankruptcy proceedings.
